

INTERNATIONAL STUDENT ADMISSION DEFERRAL FORM

Please complete this form and return to internationaladmissions@cbu.ca.

Students are eligible to defer their admission of study to a future date listed on their NOA. As your NOA will still be valid after your deferral, a new letter of acceptance is not required and will not be provided. It is not possible to defer beyond your listed dates. In this case, you must reapply.

Note, it is your responsibility to drop any registered courses before the last date to finalize courses.

Please refer to the Important dates section of the [CBU.ca](http://www.cbu.ca) website, for this date. Courses dropped after this date will incur financial penalty. Financial penalty information can be found on the Payment Deadlines and Policies located at www.cbu.ca/future-students/tuition-fees/payment-deadlines/.

To drop courses, visit your Student Portal.

Note, it is also your responsibility to opt out of the International Health Plan. Failure to do so will result in financial charges. To opt out of the International Health Insurance Plan go to www.guard.me/cbu. If you require further information contact internationaloffice@cbu.ca.
